Name	Center for Excellence in Disaster Management & Humanitarian Assistance
Web	http://www.coe-dmha.org/
Description	The Center for Excellence is a leading innovator in disaster management, humanitarian assistance and fostering stability and resiliency in vulnerable communities and societies worldwide. COE is a direct reporting unit to the U.S. Pacific Command (USPACOM) and other US COCOMs (combatant commands) and supports them in promoting disaster preparedness and societal resiliency. The Center also provides strategic advice to military, civilian and international organizations planning for and responding to complex humanitarian emergencies.
Logo	The logo for the Center for Excellence in Disaster Management & Humanitarian Assistance. It features a circular emblem on the left containing a globe. To the right of the emblem, the text reads "CENTER FOR EXCELLENCE" in a bold, sans-serif font, followed by "In Disaster Management & Humanitarian Assistance" in a smaller font. On the far right, the tagline "Honor, Integrity, Commitment. Fostering Resilient Societies." is written in a serif font.
