Name	Consortium for Capacity Building
Web	http://ccb.colorado.edu/
Description	CCB is an educational, outreach, and networking organization at the University of Colorado, Boulder. We focus on enhancing the value and use of climate, water, and weather information for the betterment of societies and the wellbeing of individuals. CCB's work occurs in both developed and developing countries to help the most vulnerable societies and populations mitigate and adapt to the impacts of a changing climate. Consortium partners are individuals and institutions working globally on capacity building in water, climate, and society issues.
Logo	<p>The logo consists of a central image of a dead, gnarled tree silhouette against a sunset or desert landscape. Above the image, the words "CLIMATE · WATER · WEATHER · SOCIETY" are written in a small, white, sans-serif font. Below the image, the words "CONSORTIUM FOR CAPACITY BUILDING" are written in a larger, white, sans-serif font. The entire logo is framed by a thin border with a multi-colored striped pattern.</p>
