Name	East-West Center
Web	http://www.eastwestcenter.org/research/
Description	The East-West Center promotes better relations and understanding among the people and nations of the United States, Asia, and the Pacific through cooperative study, research, and dialogue. The East-West Center's multidisciplinary Research Program addresses issues of contemporary policy significance in a comparative context, focusing on challenges of common concern to the Asia Pacific region and the United States. Environmental research at the East-West Center focuses on critical interactions and interdependencies between the environment and society. Work in this thematic area seeks to describe and assess (both quantitatively and qualitatively) environmental change and vulnerability in the Asia Pacific region and to facilitate appropriate policy responses.
