| Name | New Zealand National Institute for Water and Atmospheric Research |
| Web | http://www.niwa.co.nz/ |
| Description | NIWA's mission is to conduct leading environmental science to enable the sustainable management of natural resources for New Zealand and the planet. NIWA's National Climate Centre works offers a range of commercial consultancy services to government, businesses and individuals. We help people make sustainable policy decisions, manage their operations and reduce the economic and environmental impact of a changing and variable climate. |
