Name	Coral Reef Conservation Program
Web	http://coralreef.noaa.gov/
Description	The NOAA Coral Reef Conservation Program is a partnership between the NOAA Line Offices that work on coral reef issues: the National Ocean Service, the National Marine Fisheries Service, the Office of Oceanic and Atmospheric Research, and the National Environmental Satellite, Data and Information Service. The CRCP brings together expertise from across NOAA for a multidisciplinary approach to managing and understanding coral reef ecosystems.
Logo	The logo for the NOAA Coral Reef Conservation Program. It features a blue circular emblem on the left containing a white silhouette of a coral reef. To the right of the emblem, the text "NOAA" is in a smaller font, "CORAL REEF" is in a large, bold, white font, and "CONSERVATION PROGRAM" is in a smaller font below it. The entire logo is set against a light blue background.
