Name	NMFS Pacific Islands Regional Office
Web	http://www.fpir.noaa.gov/
Description	The Pacific Islands Regional Office manages programs that support both domestic and international conservation and management of living marine resources within the Pacific. The Pacific Islands Region is comprised of American Samoa, Guam, Hawaii, the Northern Mariana Islands, and other U.S. Pacific islands.
Logo	The logo for the NOAA Fisheries Service Pacific Islands Regional Office. It features the NOAA logo on the left, followed by the text "NOAA FISHERIES SERVICE" in a large, bold, sans-serif font. Below this, in a smaller font, is "NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION". To the right of the main text, it says "PACIFIC ISLANDS REGIONAL OFFICE". The logo is set against a blue background with a white wave graphic on the right side.
