<b>Name</b>	NWS Pacific Region Headquarters
Web	<a href="http://www.prh.noaa.gov/">http://www.prh.noaa.gov/</a>
Description	<p>The Pacific Region of the National Weather Service (NWS) administers the programs and facilities of the NWS throughout a large expanse of the Pacific. This area includes the Islands of Hawaii, Guam and the Northern Mariana Islands, the Federated States of Micronesia, the Republic of the Marshall Islands, the Republic of Palau, and south to American Samoa. The Pacific Tsunami Warning Center and the International Tsunami Information Center are also administered by the NWS Pacific Region, providing Pacific-basin tsunami watches, warnings, and information and educational services to the disaster preparedness community and the general public.</p>
Logo	 <p>The logo is a blue rectangular banner. On the left is the NOAA logo (a stylized bird in flight). To the right of the logo, the text "National Weather Service" is written in white, and below it, "Pacific Region Headquarters" is written in a larger white font.</p>
