Name	Pacific ENSO Applications Climate Center
Web	http://www.prh.noaa.gov/peac/
Description	The mission of the Pacific ENSO Applications Climate Center is to conduct research and develop information products specific to the U.S. Associated Pacific Islands (USAPI) on the ENSO climate cycle, its historical impacts, and latest long-term forecasts of ENSO conditions, in support of planning and management activities in such climate-sensitive sectors as water resource management, fisheries, agriculture, civil defense, public utilities, coastal zone management, and other economic and environmental sectors of importance to the communities of the USAPI.
Logo	The logo for the Pacific ENSO Applications Climate Center (PEAC) is a blue rectangular banner. On the left is the National Weather Service (NWS) logo, which includes a stylized sun and the word "NWS". To the right of the logo, the text "National Weather Service" is written in white, and below it, "Pacific ENSO Applications Climate Center" is written in a larger, bold, white font.
