Name	Pacific Islands-Global Climate Observing System
Web	http://pi-gcos.org/
Description	The Pacific Islands-Global Climate Observing System programme is a sub-programme of the Global Climate Observing System (GCOS) aimed specifically at meeting the observing needs of Pacific Islands. It is being coordinated by the Secretariat of the Pacific Regional Environment Programme (SPREP) with the goal of establishing a robust and sustainable Pacific Island GCOS that meets the long-term climate observation needs of the region and the world.
Logo	The logo for PI-GCOS features the text "PI-GCOS" in large, blue, 3D-style letters. Below it, the text "Pacific Islands Global Climate Observing System" is written in a smaller, orange font. The background of the logo is a scenic image of a tropical beach with palm trees and a blue sky.
