Name	Pacific Islands Global Ocean Observing System
Web	https://www.sprep.org/pi-goos
Description	The Pacific Islands Global Ocean Observing System, PI-GOOS, is housed at SPREP. The position is funded by the US National Oceanographic and Atmospheric Administration (NOAA), the Australian Bureau of Meteorology (BoM) and the Intergovernmental Oceanographic Commission (IOC) Perth office. PI-GOOS aims to raise the awareness of, and support for ocean observing systems in the Pacific Islands region. We also aim to identify and address gaps in the Pacific Ocean observing network.
