Name	Secretariat of the Pacific Community, Applied Geoscience and Technology Division
Web	http://www.sopac.org/
Description	<p>The mission of the SPC is to help Pacific island people position themselves to respond effectively to the challenges they face and make informed decisions about their future and the future they wish to leave for the generations that follow. The goal of the Applied Geoscience and Technology Division is to apply geoscience and technology to realise new opportunities for improving the livelihoods of Pacific communities.</p>
Logo	The logo for the Secretariat of the Pacific Community (SPC) Applied Geoscience and Technology Division (SOPAC). It features a blue background with a white circular emblem on the left containing a stylized white sailboat. To the right of the emblem, the text "SPC" is in a large, white, sans-serif font, followed by "SECRETARIAT OF THE PACIFIC COMMUNITY" in a smaller, white, sans-serif font, and "Applied Geoscience and Technology Division (SOPAC)" in an even smaller, white, sans-serif font at the bottom.
Contact	Tagaloa Cooper, tagaloa@sopac.org, Regional Communications and Coordination Advisor
