Name	Secretariat of the Pacific Community, Applied Geoscience and Technology Division
Web	http://www.sopac.org/
Description	The mission of the SPC is to help Pacific island people position themselves to respond effectively to the challenges they face and make informed decisions about their future and the future they wish to leave for the generations that follow. The goal of the Applied Geoscience and Technology Division is to apply geoscience and technology to realise new opportunities for improving the livelihoods of Pacific communities.
Logo	The logo for the Secretariat of the Pacific Community (SPC) Applied Geoscience and Technology Division (SOPAC). It features a blue background with a white sailboat icon on the left. To the right of the icon, the text "SPC" is written in a large, white, sans-serif font. Below "SPC", the text "SECRETARIAT OF THE PACIFIC COMMUNITY" is written in a smaller, white, sans-serif font. At the bottom, the text "Applied Geoscience and Technology Division (SOPAC)" is written in a smaller, white, sans-serif font.
Contact	Tagaloa Cooper, tagaloa@sopac.org , Regional Communications and Coordination Advisor
