Name	U.S. Army Corps of Engineers, Pacific Ocean Division
Web	http://www.pod.usace.army.mil/
Description	The U.S. Army Corps of Engineers, Pacific Ocean Division is headquartered at Fort Shafter, Hawaii. The Division is one of nine Corps regional offices providing vital public engineering services in peace and war to strengthen our Nation's security, energize the economy, and reduce risks from disasters. The Corps' Pacific Ocean Division is the engineering, design and construction agent for the Army in Hawaii, Army and Air Force in Alaska, and for all Department of Defense agencies in Japan, the Republic of Korea, and Kwajalein Atoll, Marshall Islands.
