Name	Pacific Islands Fish and Wildlife Office
Web	http://www.fws.gov/pacificislands/
Description	The U.S. Fish & Wildlife Service, Pacific Islands Fish and Wildlife Office is an Ecological Services office headquartered in Honolulu. The office is divided into three major sections: Endangered Species, Habitat Conservation, and Invasive Species/Marianas Terrestrial. Employees use the best available science and sound managerial techniques to further the Service's mission to conserve, protect, and enhance wildlife and their habitats for the continuing benefit of the American people.
Logo	 <p>The logo consists of a shield-shaped emblem on the left containing a fish and a bird. To the right of the emblem, the text "U.S. Fish & Wildlife Service" is displayed in a small font. Below this, the words "Pacific Islands Fish and Wildlife Office" are written in a larger, bold font. At the bottom right corner of the logo area, the text "Pacific Region" is visible.</p>
