Name	Pacific Islands Fish and Wildlife Office
Web	http://www.fws.gov/pacificislands/
Description	The U.S. Fish & Wildlife Service, Pacific Islands Fish and Wildlife Office is an Ecological Services office headquartered in Honolulu. The office is divided into three major sections: Endangered Species, Habitat Conservation, and Invasive Species/Marianas Terrestrial. Employees use the best available science and sound managerial techniques to further the Service's mission to conserve, protect, and enhance wildlife and their habitats for the continuing benefit of the American people.
Logo	The logo for the Pacific Islands Fish and Wildlife Office. It features the U.S. Fish & Wildlife Service shield on the left, which contains a blue bird and a fish. To the right of the shield, the text "U.S. Fish & Wildlife Service" is written in a small font. Below that, "Pacific Islands Fish and Wildlife Office" is written in a larger, bold font. At the bottom right, "Pacific Region" is written in a small font.
