Name	Pacific Islands Water Science Center
Web	http://hi.water.usgs.gov/
Description	The Pacific Islands Water Science Center is one of 48 Water Science Centers operated by the U.S. Geological Survey (USGS). The Water Science Center's mission is to collect, analyze and disseminate the impartial hydrologic data and information needed to wisely manage water resources for the people of the United States, the State of Hawaii, and other Pacific Islands.
Logo	 The logo for the Pacific Islands Water Science Center features the USGS logo on the left, which includes a stylized wave icon and the text "USGS science for a changing world". To the right is a photograph of a rocky stream with water flowing over the rocks. Below the photograph is a green horizontal bar with the text "Pacific Islands Water Science Center" in white.
