| Name        | Pacific Islands Water Science Center  |
| Web         | <a href="http://hi.water.usgs.gov/">http://hi.water.usgs.gov/</a>   |
| Description | The Pacific Islands Water Science Center is one of 48 Water Science Centers operated by the U.S. Geological Survey (USGS). The Water Science Center's mission is to collect, analyze and disseminate the impartial hydrologic data and information needed to wisely manage water resources for the people of the United States, the State of Hawaii, and other Pacific Islands. |
| Logo        | The logo for the Pacific Islands Water Science Center. It features the USGS logo (a stylized wave and the text "USGS science for a changing world") on the left. To the right is a photograph of a rocky stream with white water. Below the photograph is a green banner with the text "Pacific Islands Water Science Center" in white.   |
