Name	Asia-Pacific Data Research Center
Web	http://apdrc.soest.hawaii.edu/index.php
Description	The APDRC is building towards a vision of one-stop shopping of climate data and products for our users. Our mission is to increase understanding of climate variability in the Asia-Pacific region by developing the computational, data management, and networking infrastructure necessary to make data resources readily accessible and usable to researchers and general users; and by undertaking data-intensive research activities that will both advance knowledge and lead to improvements in data preparation and data products.
Logo	The logo for the Asia-Pacific Data-Research Center (APDRC) features the acronym "apdrc" in a stylized font, with a globe icon integrated into the letter "p". To the right of the acronym, the text "ASIA-PACIFIC DATA-RESEARCH CENTER" is written in a bold, sans-serif font. Below this, in a smaller font, it says "of the IPRC". At the very bottom, in a very small font, it reads "IN THE SCHOOL OF OCEAN AND EARTH SCIENCE AND TECHNOLOGY AT THE UNIVERSITY OF HAWAII AT MANOA".
