Name	Sea Grant College Program
Web	http://seagrant.soest.hawaii.edu/
Description	UH Sea Grant works in partnership with the University of Hawaii's School of Ocean and Earth Science and Technology (SOEST) and the National Oceanic and Atmospheric Administration (NOAA) to identify Hawaii's critical resource management issues and guide cutting-edge scientific research to address these challenges. UH Sea Grant supports an innovative program of research, extension, education, and communication services directed to the improved understanding and stewardship of coastal and marine resources. Realizing the necessity of collaboration to address coastal resource issues, UH Sea Grant also provides links between academia, federal, state and local government agencies, industries, and local community members.
Logo	The logo for Sea Grant University of Hawai'i features a white bird in flight above the text "Sea Grant" in a large, serif font, with "University of Hawai'i" in a smaller, sans-serif font below it. The background is a dark blue gradient with a white wave pattern.
