Name	Sea Level Center
Web	http://uhslc.soest.hawaii.edu/
Description	The mission of the UHSLC is to collect, process, distribute, and analyze in-situ tide gauge data from around the world in support of climate research. The UHSLC also hosts the Joint Archive for Sea Level (JASL), a collaborative effort with the NOAA National Oceanographic Data Center (NODC).
Logo	The logo for the University of Hawai'i Sea Level Center features a stylized blue and green wave graphic on the left. To the right of the graphic, the text "University of Hawai'i" is written in a blue serif font, and "Sea Level Center" is written below it in a bold, blue sans-serif font.
