Name	Sea Level Center
Web	http://uhslc.soest.hawaii.edu/
Description	The mission of the UHSLC is to collect, process, distribute, and analyze in-situ tide gauge data from around the world in support of climate research. The UHSLC also hosts the Joint Archive for Sea Level (JASL), a collaborative effort with the NOAA National Oceanographic Data Center (NODC).
Logo	The logo for the University of Hawai'i Sea Level Center features a stylized blue line graph representing sea level data, with the text "University of Hawai'i" and "Sea Level Center" in blue serif font to its right.
Contact	Mark Merrifield, markm@soest.hawaii.edu , Director
