Name	Social Science Research Institute
Web	http://www.ssri.hawaii.edu/
Description	SSRI facilitates and supports interdisciplinary, applied research that addresses critical social, behavioral, economic, and environmental problems primarily in Hawaii and the Asia Pacific region. This is done through collaboration with faculty throughout the University of Hawaii and with other educational and research institutions, regional and international organizations, the private sector, and federal, state, and county agencies.
Logo	 The logo for the Social Science Research Institute (SSRI) at the University of Hawaii at Manoa. It features a circular seal on the left with a torch and the text "UNIVERSITY OF HAWAII" and "1907". To the right of the seal, the text "COLLEGE OF SOCIAL SCIENCES" is written in a smaller font, followed by "SOCIAL SCIENCE RESEARCH INSTITUTE" in a larger, bold font, and "UNIVERSITY OF HAWAII AT MANOA" in a smaller font at the bottom.
Contact	Cheryl Anderson, canderso@hawaii.edu , Director, Hazards, Climate & Environment Program
